Such a rare property! This spacious two-bedroom, two-bathroom with walk-in closets, coupled with the large living room that opens up to a beautiful kitchen, provides such a comfortable sitting with the open concept. Having a two-car attached garage is convenient, and the addition of a workshop and motorhome shed adds great utility to the property.

And the outdoor space sounds absolutely delightful! With 1.66 acres of land, it offers plenty of room to roam and enjoy the feeling of being in the countryside while still being in town. The variety of fruit trees—Fig, Peach, Pear, Apple, and Persimmon—along with blueberries and a muscadine arbor, promise a bounty of fresh produce to enjoy throughout the seasons.

The gazebo sounds like the perfect spot to start the day, surrounded by the sounds of nature and enjoying a cup of coffee. This property truly offers a beautiful blend of comfort, convenience, and natural beauty.
