Nestled in the sought-after High Acres neighborhood, 2129 Catherine Street stands as a testament to timeless elegance and modern comfort. With four bedrooms and three bathrooms spread across 2,512 square feet, this residence offers a spacious and well-designed layout to accommodate all aspects of contemporary living.

Constructed in 1964, this home boasts an enduring architectural charm. Recent updates include a roof replacement in 2021, ensuring both aesthetic appeal and structural reliability. The house was built in 1964 with one owner, sheetrock over tongue and groove lumber on the inside under sheetrock and brick over tongue and groove lumber on the outside. This home boasts a formal dining room, living room, and a den with a wood-burning fireplace. The upstairs has beautiful hardwood floors that are in pristine condition.

Step outside to discover a detached storage shed offering practical solutions for organization. What sets this property apart is the clever conversion of the carport into a welcoming patio space. This outdoor haven is perfect for al fresco dining, entertaining guests, or simply enjoying the tranquil High Acres ambiance with a level lot.
