Nice kitchen, dining, and living space open. It has a fireplace which works for those cold days and nights.

Three bedrooms and 1 and 1/2 bathrooms. The home has a small front porch, a one-car carport, and a back patio. Lots of outside areas to enjoy. About 1+ acre is cleared, and the other wooded area is unique. It is located at the end of the street, which is an oval-shaped paved street.

You have to see it to believe it. Call Patricia at 251-769-0079 to set an appointment to look.
