This newly listed home in the sought-after neighborhood of High Acres could be your dream home today! With its beautiful backyard featuring an in-ground pool and spacious deck, it's perfect for entertaining guests or enjoying leisurely days in the sun.

The property boasts 3-4 bedrooms and 2.5 baths, providing ample space for comfortable living. The Great Room sounds like a stunning focal point, with its wood walls, hardwood floors, vaulted ceiling, and floor-to-ceiling windows flooding the space with natural light.

The kitchen is sure to delight any chef with its stainless appliances and custom hardwood countertops, and its open layout to the dining area enhances the sense of spaciousness and connectivity.

The converted garage offers versatility, whether you choose to use it as a game room, man cave, office, or additional bedroom. Its separate entrance adds convenience and privacy.

Outside, the home features a large covered front porch, perfect for enjoying morning coffee or evening sunsets. The paved circle drive adds to the curb appeal and convenience.

With a sizable rear deck and detached storage, this home offers both indoor and outdoor living spaces that cater to relaxation and enjoyment. Overall, it sounds like a fantastic opportunity to live in the heart of Jackson in the desirable High Acres subdivision.
